Crusader Kings II is a video game by
Paradox Development Studio. It is the
first game of the Crusader Kings
series. The game was published by
Paradox Interactive in 2013, and is
considered an expansion pack to the
game Crusader Kings II: De Re Militari
in 2011. It can be played on Microsoft
Windows, OS X, Linux, the PlayStation
4 and the Xbox One. The mod offers a
"fully compatible" version of the game
with all the existing patches to the
original, but it doesn't bring any new
gameplay.. There are both timed and
randomised seasons for planting. 6.6.1
